Seneca Services

Guest Services Handbook

Seneca Services Access Hours

Seneca Services is a 24-hour program, however, for the safety and security of you, other Guests, staff, and tenants of the building, we do not allow anyone to enter either the building or the suite between 11:00pm and 6:00am.

Guests are free to come and go as they please

We ask that you inform our Seneca Services staff of your departure time and return times, mark the sign-out board; and provide staff with your Private Guest Room Key.

Please be back to the suite by 10:00 pm

We have established a curfew for guests returning at night of 10:00pm. Unless otherwise arranged and approved, if you do not return to the suite by 10:00pm, we will assume you are terminating your stay and initiate a full check-out.

Any items left in the room (that are not items belonging to Seneca Services or the suite) will be sealed in an airtight bag and held securely for 24 hours. If not picked up in 24 hours, the bag and its contents will be discarded, and any medications left taken for appropriate disposal.

For the safety and security of you, other Guests, staff, and tenants of the building, this curfew is strongly enforced.

Scheduled Check-Outs completed by 11:00am

In order to accommodate our Check-Ins, all scheduled Check-Outs must be completed by 11:00am. It is best to arrange your preferred Check-Out time with Seneca Services staff the day before your scheduled Check-Out, so that both you and staff are prepared.

It is an important part of your Check-Out that you fully participate in the process including the room clean, the bed bug protocols and the Check-Out interview.

If you choose to Check-Out prior to your scheduled Check-Out date, we ask that you provide staff with sufficient notification "the evening before" you intend to Check-Out, this allows staff to prepare and take the time we need to ensure your Check-Out is barrier-free.

Leaving without notice is considered an Unscheduled Check-out, and, depending on the circumstances, may negatively affect your ability to re-access our Services.

The Guest Phone is provided for your convenience

The Seneca Services Guest Phone number (for call back) and the instructions to access voicemail messages are posted by the phone. **Please use discretion when using telephone to protect the privacy and confidentiality of Seneca Services, its staff and guests – and do not divulge information on current or incoming guests, workers on staff or room availability.**

The kitchen, and its contents, is not "open" to Guests.

In order to ensure that our Guests are well-nourished, it is imperative that Seneca Services Staff know and monitor items consumed or needed for their meal plans. If you need or want something outside of regular meal times (and between 6:00am and 11:00pm), please let a staff member know, and they may be able to assist or permit you to get or make something available.

Seneca Services encourages healthy sleep hygiene

Guests are requested to settle in their Private Guest Rooms by 11:00 pm – by this time, the television will have been turned off, and Seneca Services Staff will have done their best to reduce the amount of noise. In order to settle, Guests may choose to read or use electronic devices with earphones in their rooms.

Ear plugs are available, ask a Seneca staff member.
