SOUP 'N' CROUTONS IN A BOWL

You will Need

- 1 Can Tomatoes Undrained
- 1 can Tomato Soup
- 2/3 cup of Water
- 1 tsp Dried Basil
- 1/4 Tsp Garlic Powder
- 1/4 tsp Pepper
- 1 Slice of bread (per bowl)
- 1/2 Cup Shredded Cheese
- 1 Green Onion (optional)

How to:

1. Chop the canned tomatoes (save the juice) and place in a microwavable dish.
2. Add the tomato juice, tomato soup, water and spices.
3. Toast bread and cut into cubes
4. Top soup with your home made croutons and top with cheese.

Want to make it fancy? Toast two slices of bread and add the cheese in the middle, microwave it for a quick grilled cheese. Cut into cubes and add directly into your soup for a "Soup N' Sandwich" Bowl!
